Presidents Message

Our first meeting of 2011 has past successfully and we now look forward to the second half of the lions year. The agenda covered many varied items from assisting a past lion to the usual donations.

It appears as if the coming months will be busy with Sara's nomination for Vice District Governor and our support for Sheryl Jenson's nomination for International Director with PDG David as her campaign chairman. We look forward to their nominations being accepted.

On the home front the Social and Programme Committee are planning an indoor bowling outing which should be a success if the number of hands shown all turn up. Details of that function are elsewhere in the bulletin. Barrowfun day is fast approaching and the full support of the Club is required for that event.. Manfred and his committee are working hard on that and if you are asked to help please be forthcoming.

Hamish tells me that Tui is progressing slowly and should be off to the Otara Spinal Unit in the near future. He has assured me he will ask for any assistance that may be required but doesn't think there is a lot we can do at present.

That's about enough for now, see you all at the next dinner meeting.

President Brian.

January Getgether 2011

True to form, rain pelted down on a function at David's. However, we would like to thank all those who came to the Club's January get-together at our place. Thank you for all the fabulous food too. We 'do' this well! Great to meet some younger family members who came along and joined in. We managed a couple of 'indoor' games thanks to John Groves and Lindsey. Surprising what fun can be had with a couple of balls, golf clubs and a bucket. Congratulations to Evelyn who won the golf and Kay who won the bowling competition. 100% participation so the competition was hot! We had to have a play-off for the bowls but Kay was supreme. Trish Peart's team won the general knowledge quiz. Chocolate prizes all round. Thanks especially to all those who helped clean up the kitchen after dinner. Saved us staying up all night washing and drying! Hopefully, the outdoor games evening can happen another time.

MEMBERSHIP COMMITTEE

"Many Hands Make Light Work"

Congratulations to our Club for the increase in our membership over the past year. In June 2009, we were down to 37 members, had increased to 43 at June 2010 and in the last six months our membership has grown by a further six to 49 at end of December 2010. We have however just lost one member so are now back to 48. Our newer members have brought with them not only extra hands to share the load but importantly new ideas and we are seeing the results of their enthusiasm and participation. We cannot however rest on our laurels and therefore the Membership Committee seeks your assistance with another Membership Drive.

A "Prospecting List" was handed out at the February 1st Meeting. If you have not received one – please contact Sara (konini@netsmart.net.nz – Ph 552 0144). This is really a **reminder list** of people you may know who you would like to invite to an **Information Night**. Please could you come up with as many names, addresses, phone numbers and emails as possible and bring to the dinner meeting on 15th February. A reminder will be emailed to you!

Club Uniforms

The Club has had the green shirts for many years and these are still perfectly acceptable but no longer available.

When some of us attended the Sydney International Convention last year the group decided to go for black shirts.

Brian Peart has a contact and a black polo shirt complete with Lions emblem and our Club design costs, approximately, \$56. This is in an easy dry fabric.

I have a collarless top that costs about the same. I can show you this if you wish.

The NZ Lions have a white polo top with black trim. This can be viewed on the Lion's website or I can show you a photo. Sara has one of these shirts too. Cost is approximately \$40 plus postage and would have Katikati but not our cats.

Please contact me if you wish to know more or order.

Lions helping their Aussie Cousins with Cash for flood victims

New Zealand Lions Clubs will be donating money to their Australian counterparts, who will distribute the money directly to flood victims. The Council Chairman of Lions Clubs NZ, Robin Nairn from Hawke's Bay, was recently in Australia at a meeting of Australian Lions just as the impact of the flooding unfolded and said his offer of Kiwi financial support was very welcome. Lions have been part of the army of volunteers in Queensland who have been

helping with the cleanup. "The Australians came to our help with the Canterbury earthquake and it's our turn to reciprocate," Mr Nairn said. "The devastation is enormous and it is going to be weeks or months before some of these people can return to homes that are still intact."

Mr Nairn said New Zealand Lions clubs had given very generously in raising \$170,000 for the Melbourne bushfire victims in 2009 and Lions were proud that every dollar offered would go to a flood victim, without anything being taken off the top for administration.

Mr Nairn said if the public wanted to make a donation, they could contact a Lions Club member in their local community, or

When Insults Had Class

These glorious insults are from an era before the English language changed to 4-letter words.

The exchange between Churchill & Lady Astor:

She said, "If you were my husband I'd give you poison."

He said, "Madam, If you were my wife, I'd gladly drink it."

"I've had a perfectly wonderful evening. But this wasn't it."

Groucho Marx

"There's one thing about baldness: it's neat."
